TSS Facelift?!

Let's face it! As we get older, we may like to get a little work done to improve our appearance or at least make us feel a little better about ourselves. Well, it was time for TSS to do just that! It's time to see the new faces of TSS and that also includes a new look to our website (which is in the works)! It's currently "under construction," but will be up and running soon! We invite you all to check it out! www.tSSIP.com

TSS Recipe Corner

We thought we'd give Larry a break from his column this month and decided to share a warm soup recipe to help with these cold winter nights!

Chicken Tortellini Soup

- 1 family size container of tortellini (frozen or refrigerated)
- 5 cans of chicken broth
- 1 tbs chopped garlic
- 4 green onions
- 1 rotisserie chicken
- 1 28 oz can of diced tomatoes
- 2 tsp fresh basil

Bring broth to a boil. Add tortellini. Boil for four minutes. Add the rest of the ingredients, cover and let it sit for 15 minutes. Enjoy!!

Weird Animal Facts

- Black widow spiders are known to kill and cannibalize their male lovers once the act is complete.
- Clownfish are monogamous and are born male but can turn themselves female. A single dominant female leads a group of males and if she dies, the biggest male switches genders and rules the school as a female. The male also does most of the egg-sitting until they hatch.
